The New Maskwa Clubhouse (artist's rendering) – what we are all building toward.

Meet Maskwa!

MASKWA AQUATIC CLUB is a non-profit organization dedicated to Family Fun & Sporting Excellence on the water. Located on beautiful Kearney Lake, on a 41-acre wooded property, Maskwa is the only outdoor recreation facility of its kind in Halifax. The club offers programs and activities for all ages — recreational and Olympic-standard kayak and canoe racing, and swimming programs for children and adults.

Membership is open to all residents of Halifax. For the sport enthusiast, Maskwa is a nationally and internationally acclaimed canoe and kayak racing club with programs for beginner children, intermediate, senior and master-level paddlers. This year, our paddlers have been racing in Czechoslovakia, Florida, Ottawa... and of course, Dartmouth, Windsor and Cole Harbour!

Location! Location!

Halifax's best-kept secret...since 1975.

Maskwa's pivotal location, adjacent to Halifax's fastest-growing communities, has resulted in tremendous growth. In answer to this popularity, construction on a new Clubhouse & Boathouse will begin in 2008-09.

We are more than half way to our goal. We are reaching out to businesses to help support a worthwhile, charitable investment located in the centre of our community.

Maskwa: Gold medalists at Canadian Nationals.

Come On Board!

- Align your organization with wholesome, outdoor recreation and fun for families.
- Be part of a winning team... our world-class athletes are the best ambassadors for our sponsor's products and good names.
- Be part of the Maskwa family, located in the fastest-growing community in Nova Scotia.

Sponsorship has its privileges!

Here are the benefits Maskwa can provide:

- Complimentary use of our facilities for your functions.
- Additional exposure in our newsletter with profiles, logos, advertisements or inserts.
- Logos and links at www.maskwa.ca
- Opportunities for Direct Mailings to our membership.
- Branding on our facilities (existing & new), on selected clothing, on canoes, kayaks & paddles.

We are open to any proposals from our sponsors on how we may be able to help build your business in our community.
